This award recognizes outstanding performance, dedication, excellence, and commitment to their career and technical area

MAVA Outstanding Vocational Scholar of The Year

and

MVA Presidential Certificate of Merit in Memory of Leo Desimone

Laila McClain

Laila is an invaluable member of the Medical Assisting Program who leads by example in all that she does. Laila is an outstanding individual and member of the SHS community. She is a peer mentor, a member of the Volleyball and Unified Sports teams, editor of the Yearbook, and has held the same job in Salem for the past 2 years. She balances all of this with grace while maintaining an impressive GPA of 3.74. Laila has served as a teacher's assistant with the freshman exploratory rotation this past fall. Laila helped organize and run the 2 successful Blood Drives this year. She has obtained her OSHA10, CPR, and Stop-the-Bleed Certifications and recently sat for her National Medical Assisting Certification Exam. She has completed 2 semesters at Harvard MedScience and participated in the Salem Hospital Youth Program Co-op. Laila is pursuing a career in Nursing at Adelphi University next fall.

Program Completion / Participation

Automotive Technologies

Salem Rotary Directors Award **Cameron St. Germain**

Cameron receives the CTE Director's Award for the Automotive program. His enthusiasm for automotive technology is palpable, and his consistently strong work ethic keeps him striving to do his best. Cameron works hard during regular working hours, but his dedication drives him to work late to ensure that tasks are completed thoroughly and to the highest standards.

Cameron's commitment to academics combined with his passion for the field makes him a valuable asset to any team or project in the automotive industry.

Salem Rotary Vocational Achievement Award **Aiden Burnett**

Aiden is awarded the Vocational Achievement Award for the Automotive Program for his remarkable qualities.

Aiden has a unique set of attributes that make him stand out in the field. He is incredibly resourceful and spontaneous, which allows him to adapt to any situation with ease. His ability to think on his feet is a valuable asset in the fast-paced environment of automotive engineering.

We have no doubt that Aiden will excel in any role within the automotive industry.

Jacob Pina Harding

Jacob Pina receives both the Director's and Vocational Achievement Awards for his exceptional technical skills and a deep understanding of the carpentry/construction field. His attention to detail is impeccable, and his work ethic is exactly where any vocational instructor would want any scholar to be.

Jacob has an ability to think ahead while working on any project which is paramount in any carpentry or construction setting. He excels academically, and is very well liked by his peers. We are proud of Jacob for his accomplishments during his senior year, and I know that after he finishes with his education, he will make an immediate and positive impact on society. I know that Jacob will be extremely successful in anything that he puts his mind too, and he will be greatly missed in the Salem High School carpentry program. Good luck Jacob.

Early Education & Care

Salem Rotary Directors Award

Lisy Almonte Genao

Lisy receives the CTE Directors Award for her continued success in the Early Education & Care program. She is currently completing her internship to fulfill program and certification requirements in a kindergarten classroom at Bates Elementary School.

Throughout her participation in the EEC program, Lisy has demonstrated dedication and passion, and has acquired many skills that are truly evident in her work at Angelas Preschool & Daycare at Salem High School, where staff and families speak highly of her strengths in working with children. Lisy's outgoing nature makes her a great addition to any teaching team.

Lisy has been a wonderful resource for the Early Education and Care program, using her bilingual skills to assist her peers and teachers as needed, and has been a great asset to the community by providing childcare for families attending district events. She is a member of the SHS Cosmetology Club and enjoys art, sewing, and babysitting.

Lisy is a true artist whose talent and craftsmanship are evident in all of her work. Her future goals include art and design in some capacity.

Salem Rotary Vocational Achievement Award

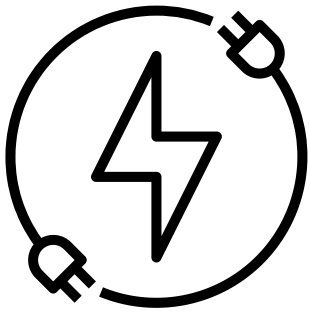

Melany Garcia

Melany is awarded the Vocational Achievement Award for her drive and dedication in the Early Education and Care Program. She's currently completing her placement at the Bates School in a kindergarten classroom and working with her favorite age group as a toddler teacher at the YMCA of the North Shore. The teaching staff praise how well she works with all the children and describe her as a strong and caring person.

Melanie is a natural leader, she is a senior ambassador for the Salem High School EEC program where she is involved in supporting community events as a representative and role model for rising Salem High School students.

Melanie enjoys cooking, and pampering herself but also appreciates quiet time and spending time with family and friends. Melanie hopes to become an ultrasound technician after high school.

Vocational Achievement Award**

Corey Grimes

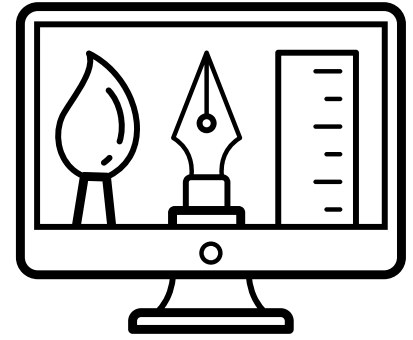

Corey is awarded the Electrical Technologies Director's and Vocational Achievement Awards for being an outstanding individual who excels in academics, athletics, and personal pursuits.

Corey's extraordinary work ethic, leadership skills, and compassion are visible to his instructors, and his participation in this senior year has been particularly impressive. Corey could turn his learned knowledge into action in real-life electrical installations. Not only were Corey's hands-on skills proficient, but Corey's strong leadership skills were also on display. Corey has evolved into a competent and compassionate electrical student and a leader and has excelled in his communication skills competencies, written exams, industry certifications, and teaching hands-on skills to underclassmen. Corey has obtained his OSHA10 certifications and has used the skills learned in his OSHA course to keep him and his peers safe while working in the shop and on live work throughout the school building.

We are confident that Corey will continue his pursuit of his electrician's license and be successful in his career endeavors.

Graphic Design

Salem Rotary Directors Award **Abdiel Pimentel Cabral**

Abdiel is awarded the Director's Award for his commitment and consistency in demonstrating a remarkable level of commitment and talent within the Graphic Design Program. Throughout their time in the program, I have continually been impressed by Abdiel's innovative ideas and artistic skill. Abdiel collaborates effectively with his peers, always willing to share his expertise and support to others in the shop. Abdiel has exceptional communication skills and is able to interact professionally with our clients about every aspect of our program. As a member of our Graphic Design Advisory board and program ambassador, Abdiel has put in time and effort to improve and bring awareness about the Graphic Design program. Abdiel is a valuable asset to the CTE Graphic Design shop, embodying the creativity, collaboration, and communication skills essential for success in this field. I have no doubt that they will continue to thrive and inspire others with their talent and dedication.

Salem Rotary Vocational Achievement Award **Joe Reyes Rodriguez**

Joe receives the Vocational Achievement Award for being an outstanding student who demonstrated a dedicated approach to his work in the Graphic Design Program. His ability to grasp concepts and instructions quickly helped him develop his creative ideas with confidence. He has continued to make steady progress in both craftsmanship and creative expression. This year, Joe is enrolled in my most advanced graphic design class. His positive attitude allows him to explore new things with an open mind, giving him the ability to develop a unique style and express his personality in his artwork. Joe is very rewarding to work with. He is eager to show and discuss his work, he responds to direction with affirmation and is able to improve his work through personal reflection and self-evaluation.

As a member of our Graphic Design Advisory Board and Program Ambassador, Joe has dedicated time and effort to improving and promoting the Graphic Design program. Through his involvement in the arts, Joe has shown a dedicated drive to achieve his goal of studying graphic design in college and becoming a professional graphic designer.
